

Closer Walk 2025

Reading Schedule

MARCH

In Psalm 119:11, King David wrote, "I have hidden your word in my heart that I might not sin against you."

When we were kids, it was easy (and fun!) to memorize Bible verses. Yes, we had the incentive of a prize in VBS or an award in Sunday School for memorizing Scripture. But as we get older and have families, responsibilities, jobs, and more, it's a little more difficult.

Memorizing Scripture helps us when we need God's guidance or direction. It reminds us of God's faithfulness and His promises. It helps us to tune in to the Holy Spirit's conviction. It helps us to recall God's Word when we're anxious, confused, desperate, or in need of hope. And it grows our faith.

Join us for the Walk Thru the Bible Scripture Memory Challenge! Members of our U.S. team are taking the challenge with you!
