

Daily Walk **JOURNAL**

Journal through
God's Word in 365 days

How to Use the

Daily Walk Journal

God, the eternal, sovereign, Creator of the universe wants us to *know* Him—wants *you* to know Him. He could have continued to sustain the universe quietly, without anyone being aware of His existence. He could have decided to leave us alone, without intervening in history, abandoning us to our own devices. He could have remained silent, leaving us to guess at why we were created or to dream up explanations that would, frankly, be false.

But He didn't do that.

Instead, He gave us His Word so that we could know Him, so that we could understand the great lengths He went to in order to reconcile us to Himself, so that we could live in His love and grace and truth. The Bible is God's living and active Book through which He meets with us, shows us who He is and what He is like, speaks with us.

At Walk Thru the Bible, we exist to help people everywhere live God's Word ... and love God's Word. We want people to drink deeply from its pages and see its hope, truth, and beauty.

We know that when people engage with Scripture, everything changes.

Reading and engaging with God's Word is the number one way we grow in our walk with God.

The *Daily Walk Journal* you are holding in your hands has been designed as a companion guide to the *Daily Walk Bible*. But more than that, it's designed to be your companion in your journey through God's Word.

Each day, as you read the chapters of Scripture as outlined in this journal and in the *Daily Walk Bible*, you'll find reflection space for writing in these pages, questions to help you contemplate what you read and any new insights God gave you from the readings, a place to capture a verse that was especially meaningful to you that week, and more!

By reading through the *Daily Walk Bible*, you'll read all the way through God's Word—from Genesis to Revelation—in one year. You'll find yourself drawing closer to the Lord, seeing more of who He is and His love for you.
